ADA Platinum Restroom Trailer

The ADA Platinum Restroom Trailers offers a flat floor for easy accessibility, large, easy-to-grasp handrails, stereo, wood flooring, and crown molding. This restroom uses natural white lighting to illuminate the interior and fixtures to operate the most essential restroom functions.

This top of the line restroom also comes with air conditioning and the state of the art Touch Flush system. The Touch Flush system was designed for the formal function with a no handles, no levers, and no foot pedals approach. Instead the Touch Flush system uses a simple, fully electronic, wall mounted button.
